Public Relations: Do you need **# Support** to expand your visibility of your organisation **# Build** relations with stakeholders **# Increase** value for your own organisation or community and **# Create** new opportunities for cooperation?

This is what I can do for you:

- I am the person whom you will send to the stakeholder (events) because I am good at interacting with an audience or have in-depth conversation 1-on-1.
 - This is where I make an inventory of your public needs
 - Gain knowledge of trends and challenges
 - Promote your organisation by creating real interest
 - Get inspiration for your organizations' promotional activities on all levels
 - Form relations with your stakeholders
- Because I like to explore and connect ideas, I provide you with subjects or content ideas for your media promotion. Establishing a higher relevance for your audience to connect with you.
- With my open and relaxed personality, I gain trust and keep in touch with your stakeholders. Follow-up on their needs and contact them for cooperation opportunities.
 - For this, I use my time, to update myself with their media messages
 - Establish mutual promotion through each other digital channels
 - Find options for non-digital collaboration
